MANATEE

Cancer grants awarded

The Florida Suncoast Affiliate of the Susan G. Komen Breast Cancer Foundation has awarded community grants totaling \$686,000 to support local breast health education and breast cancer screening and treatment programs.

Recipients include Manatee County Health Department, Breast Health & Wellness Program, and the Wellness Community-Southwest Florida in Manatee County.

Recipients in Sarasota County include Sarasota County Senior Friendship Center, Breast Cancer Screening Project, Be Smart Mammogram Program, South County Community Clinic, Breast Cancer Screening Program for Underserved Women, Sarasota Memorial Hospital, Newtown Breast Cancer Awareness Program, and on behalf of the USF Foundation, Gulf Coast South Area Health Education Center.
