THE HISTORY

Papa Nick's was started in the early 1990's by Papa Nick and his two sons George & Manny with the concept of serving traditional Italian recipes. The first restaurant opened on Beneva which has since moved to Fruitville and is owned by Manny's brother George.

Manny opened up in Ellenton approximately 15 years ago and then 3 years ago in Sarasota, on the corner of Lockwood Ridge & Tallevast.

Throughout the years the focus has remained the same, to provide great traditional Italian food in a friendly & inviting environment with great service.

We appreciate your business and look forward to seeing you for years to come !!
